

rednile projects

**On Sunday 12th August 3-6pm *Captain Spottie*
*returns from the grave.....***

What changes faster, you or the Netherworld? Unlock the gates to inherit the crown of the long lost Pirate Kingdom.

Play the game!

Speed of Reaction comes to Sunderland to take you on an interactive adventure throughout

the seafront at Roker. Mobile phones, QR codes, online social networks, films and fast reactions help your team solve puzzles, push you to ask your own questions and explore your surroundings.

A project commissioned by Rednile Projects as part of the Factory Nights programme and funded by Sunderland City Council <http://tinyurl.com/6v6vyh5>

Find out more and get your free ticket at <http://tinyurl.com/d96os4d>

(booking essential)

Subscribe to the project's website www.speedofreaction.com/

Befriend Spottie (he's new in town) at www.facebook.com/capitaine.spottie

And follow his seafaring tweets on www.twitter.com/CapnSpottie

Also - Team members needed! We are looking for energetic people to help us and Captain Spottie create a great event on 12th August – see <http://www.rednile.org/opportunities/>

Factory Nights 2011-2012 main programme is funded by: Arts Council England, British Council, Staffordshire University, Multistory, Middlesbrough Council, Redcar and Cleveland Council and Stoke on Trent Council.
